“ *I had the pleasure to have worked with John Mazza at Baldwin State Prison. He was a dedicated man to his job and like to help people. He often mentioned his granddaughter! He loved spending time with her and she definitely had his heart. He mentioned other family like his wife and son and it was always positive things. He loved his family. I believe everyone that worked with John knew how much he loved his family. It was a great blessing I got to know this man. I recently found out he had worked with my daughter a new firefighter. I immediately knew she had a good man teaching her cause I knew John's heart. I will miss him and all those he has touched and work with will certainly miss him. May God bring peace during this difficult time.*
