“ *The McAfees were fun, loving, hard-working people with strong ties to family, friends, and faith. John was no exception. I look at his face and see it all there. To the family, we send our love and sympathy. Thomas, Sara, and I (1st cousins) are so sorry that we will not be in that family circle today. You will all be in our thoughts and prayers.

“ Sorry to hear of your loss. I will keep all the family in my prayers. John and I were classmates at Wrightsville High School. Looking at his picture he didn't change much just an older verson of John D. God bless all of you, and give you strength during this time of sorrow and the days ahead.
