“ *Very sadden to see Keith has passed. Keith and I were next door neighbors and best friends beginning in Junior High School. Oddly, we went to different schools that were rivals of each other. Keith and I learned how to play golf & tennis together. Went spent many Wednesdays at Sandy Run Golf Course because Mercer had "Wonderful Wednesday" with no classes. We gradually went our separate ways. I never met his wife or children. However, our lives did cross paths again in Atlanta in the mid 80's. My sincerest, albeit late, condolences to his family. I will miss not having another opportunity to cross paths.*

“ *I'm sad to read of Keith's passing in my copy of the Mercerian that arrived today. He plays a prominent role in many fond and vivid memories of my college days and Sigma Nu Fraternity.*
