“ John's passing will not only leave a hole in our hearts but a hole in our community as well. Even though we didn't see him as much as we would have liked, we knew he was there. We became family friends with Jane and John in the late 80's through bowling and we became neighbors in the early 90's. Jane and John were both very dear and close to our hearts. Both were dear friends that we will miss tremendously. Our Sympathy goes out to the family in their time of need.

Respectfully,
