“ Mrs. Ferguson, I just learned of John's passing. I'm the H.R. representative for Birch Communications in the Emporia, KS office. John had been here a few times and he was an absolute joy to work with. He was kind and helpful any time I worked with him or needed assistance with employee's having issues. I can not tell you how very sorry I am to hear this news. I've been looking so forward to him coming back this fall. He always spoke so lovingly of you and your family. It was most obvious how proud he was of all of you. The last time he was here you had been ill and he was terribly worried about you. I felt badly for him as I could tell he was eager to get back home and it was going to be a long trip for him. Please accept my sincere sympathy and I join the many others in praying for your family. God be with you.

Blessings,

“ *What a joy it was to grow up with John! I am still telling stories about John when were kids.*

We were so blessed to be able to visit with him again when his mother, Nancy passed away. There is no doubt that John was a very happy husband, father and grandfather. What a shock this must have been to his precious family, but what a life he had! God be with you as our prayers are with you each day for your loss, but heaven's gain.

“ Dear Connie & Lori, I am so sorry to find out about John's sudden passing. He will be missed by so many. It was always such a pleasure running into him in various stores or seeing him at the hospital selling AFLAC. He always told me how lucky I was to have David but I have to say that all of you were so lucky to of had such a wonderful man in your lives too. He never had a discouraging word to give but always ENcouraged everyone. Know that I am here if you need me and that with time it will get easier but you never forget the memories and keep them alive with in your hearts forever & ever.
