“ When I think of Mr. Harris, I think of his big happy smile and the positive impact he has made in my life and to others. Therefore, it is with great pleasure that I share this brief memory with you all.

*From the very first day I met Mr. Harris, he greeted me with a big smile and a heartwarming hug. That image of him will forever be instilled in my heart. He also, had a way of bringing everyone around him back to special historical moments in time, all while laughing along to funny jokes he cleverly would sneak in.*

*Although Mr. Harris is no longer with us, his fun-loving attitude and his charisma will forever live on through his family, his friends, and most of all his spirit.*

*Mr. Harris I will never forget you. Rest in peace y vaya con Dios mi amigo.*

*My deepest heartwarming love and condolences goes out to all the Harris family.*

*Your loving compadre, Rolando Lopez*
