“ My Heart goes out to Debra, Joshua, Christopher and Jonathan's children. I know that times are tuff and is hard to believe that he is no longer with us. Debra, Jonathan knew that you loved him. Just like I know that he loved you too. Christopher, you must stay strong and remind his kids of what a great father he was to them. Joshua, you need to look after Debra and reassure her that you all will be united one day when the end comes. Children of Jonathan, your Dad was the GREATEST EVER. He loved each one of you in his own special way. Jonathan, you will be missed and you are thought of everyday. I love you!!###imported-begin##Rebecca Brady###imported-end##

“ I will always miss my uncle very much.
He was a great guy who was always doing crazy things to make people smile.
My only regret is that I did not spend more time with him when he was here with us.
Now I will always have to live with knowing that he was always so close, yet I never made the effort to see him.
I am truly sorry for that and it creates a sadness that will always be in my heart.
I hope he knows that I really did love him and still do. Always will.###imported-begin##Allison Conner###imported-end##
