“ There are no words to express my sorrow. God's most special child is not here for me to snuggle and laugh with and i shall morn. You are with me all the days of my life. Fly to the heavens,my most precious angel. Swim with Free Willie and know that you were cherished by your Aunt Toots. I take unbelievable comfort in knowing the Lord will deal with what's left here on Earth. Rest peacefully my sweet darling child. I rejoice in the fact you are in a better place. Give Gree a hug for me.##imported-begin##Toots##imported-end##
