“ I knew Jonna back in 93/94 in high school. We both got hustled by the school administration over our clothing. She was unique amongst the other folks at school, and I had moved into town from Florida. She made me feel like I had a place to fit there. We use to drive around in her car and dream about starting a band. I ended up leaving march of 94, and only saw her once more. I'm deeply sorry for the families loss. Jonna was an amazing young lady and I am glad I had a chance to know her.

“ The passing of my first grandchild and the oldest of my grandchildren has left a big hole in my heart. Our family is devastated by our loss of one so loved, indeed, a shining star. Each day I would look for this special girl to visit. Realizing that I don't have that privilege now, I ask myself WHY. Those who knew Jonna knew the ups and downs this child had most of her life. God has called for Jonna to come home and I am blessed knowing that one day I shall be with her again. Please keep our family in your prayers asking our Heavenly Father to lift some of our sadness if it is His will. I look forward to seeing my special grandchild again.

“ Jonna and Jamie came to our house and jumped on the trampoline, played old-time video games, ate dinner and generally had a good time You tried so many things and so many times to make life work to your satisfaction. You were always kind and loving. You will be missed more than words can express. Fly high sweet, delicate dove. I loved you dearly.
May God grant peace that passes all understanding to your Mama, Granny and Sister. Prayers for the entire family
