“ Gina and all your loving family, I am deeply sorry for the loss of your dad. We know he is in a much better place than you and I. Not many words can help at this time but someone once told me (when I lost my mom) that time will heal all the hurt that you are going through. And Gina this is so true. You will never forget your dad but many, many years from now, I hope you will feel the same as I do (comfort)!##imported-begin##Terri Lewis##imported-end##
