*Uncle Joe,
Man we are going to miss you. Thank you for being the man that you were and always giving us something to look forward to whenever you were around. I am going to miss the bowling, political talks, stories, fruit, Italian food, and screaming at the TV during cowboys games. Most importantly, I am going to miss the love you gave my family without regret. Fly High Uncle Joe. We love and miss you.*

“ Scoopies Family

The first time I met Scoppie, Bill Hellegas and I were shooting baskets in the back yard. He walked up and started shooting with us. At the end of the shooting he left. Bull and I laughed and said ' what is his name and where does he live?'

Scoppie became an excellent basketball player, and a great scorer. Scoppie always had a smile, a knitted cap and a brown top coat.

*My nick name for him was SCOPPIE DUPPIE BUBBLY.
HE WILL BE MISSED BY EVERYONE.....GOD BLESS

“ My dearest Uncle Joe when i got the news that you were sick my heart dropped, and then to hear that you had past, my heart broke. I cannot remember a time in my life without you around. Where there was Boosie there was you. I'll never hear again (with that huge smile on your face) "how ya doin' kid?!" Or you taking all of our money in a good game of Tunk (\$1/\$2). Thank you for giving us the best side of you - for loving my aunt, guiding her children, nurturing your grandchildren and being the most rooted uncle to your host of nieces and nephews. You'll be missed Unc. I love you.

“ I remember my uncle, mother’s brother as a fine family man. I remember he was “into” bowling big time and at the same time, had a relationship with God, Holy Jesus, the Holy Spirit. Though I had not seen him for many years, I know his Faith and favorite bowling exercises gave him rock focus for his life journey of fatherhood, spousal guidance and any other roles he had.

Praise the Lord that the family will always remember our uncle and/or their brother. God rest His soul in Christ Jesus. With loving condolences to Theresa, Joey, June, Michelle, Michael and time those family members that I do not know. — Uncle Joseph’s family

“ RIP Uncle Scupy. I remember going to the house and going in the shed where he made bowling pins as a young kid. Growing into an adult I didn't see him as much, wish I did. I also remember when I was driving a team to Randolph and as I was sitting in the parking lot who did I see...it was him. I called out and he said to me, "Wow, you driving this big bus!" Which we had a laugh. He can now bowl on the golden lanes in Heaven.

“ Joe came into my life in 2013. I met him at the Baldwin Bowling Center. I met him through my mom Regina. He became a part of our family. He has seen my 4 kids grow up. He ate family dinners with us, spent holidays, birthdays, game days, and horse race days with us. We learned his knock on the door, his love for the Cowboys, bowling, and his coffee and coconut donut guilty pleasure! Our family loves Joe Goodson. Our family will miss him terribly and our Sunday dinners will be less by 1 person. Im so privileged to have gotten the chance to know you. Its not goodbye, but see you later Joe. We love you! Love, Reginald, Liz, Addison, Bryton, Carter and Eastlyn.
