“ Joyce was always a "family first" individual. The organizer of many family weddings, reunions, birthday parties many of which wouldn't have happened without her tenacity. A loving spouse, mother and grandmother who overcame a life of medical hardships and stared many a diagnosis in the eye to continue on. She always lent a sympathetic ear to family, friends or anyone who needed it... From humble beginnings in rural Maine, to California, Rhode Island, and finally in Georgia... she touched many and will be sorely missed##imported-begin##Dianne & Al Abbey##imported-end##
