“ Holly, Lisa, and Tammy.... my prayers and heart is with you and your family during this time of loss on this earth of Miss Judy, but I'm also feel blessed knowing God has an Angel like no other in Heaven to watch over us all. I often think about us all being together at Olive Hill Baptist Church and your beautiful Mama leading her children in perfect harmony of song. She had the most perfect voice that I have never forgotten nor will I ever forget. You all have a special place in my life that I wished I could turn back the clock and visit, especially on those greatful Sunday mornings of our childhood days. May GOD comfort you all.... I send love your way.

Thank you Sherry. You really blessed our hearts with your comment. Tammy, Lisa, and myself knew how special she was to us, but we didn't realize how much of an impact she had on others until now. Thank you for helping us to know how special our mama was to others. God bless you!
