“ *Judy touched my life when I worked at a little bank in Ashford, AL. She'd take me home after work. She was so full of life, laughter, joy, and love. I wasn't surprised at all to learn she had gone into nursing, and I followed on her heels. She was such an inspiration to me in so many ways. I loved it when she and Bill surprised me with a quick visit when I was working as Nurse Mgr in Dothan. She always gave the best hugs and the smile on her face and in her heart infused me and so many countless others with that same love of life for friends and family. We will be praying for you Bill and the entire family as you cope with the loss of one so loved. Please know that you are in our hearts and prayers. HUGS!! Love you!*

“ Family - sending blessings and consolation as you feel our dear Savior near at this difficult time.

Judy's smile was most welcoming, and genuine - we worked together on medical intervention and ortho / neuro units at SFH. She displayed that great "southern hospitality" - visiting her home, meeting Bill - enjoying those yummy dishes -she enjoyed sharing with the unit staff.

Sad to hear of her passing, - glad for opportunity to let you know my memories - She was special!

I worked with Judy at SFMC. She was a sweet and kindhearted lady. To be absent from the body is to be present with the Lord.

“ Judy will always be in my memories as a well respected nurse and manager of the unit I worked on with her. I'll never forget her kindness, her fairness, her shared recipes, opening her home to her coworkers, and her love for Bill. My deepest condolences to her family. Rest well, old friend.

“ How fortunate we were to have known such a kind, sweet beautiful lady as Judy. My biggest regret was that I didn't get to know her longer so I could have enjoyed her more. She was a true inspiration for me and I considered her to be a dear friend. God bless Bill in this sad time and I know she's up there smiling down on us and helping to watch over us all. With deepest sympathies, Jeri and Ronald Sumner.

Judy was a wonderful, compassionate nurse that was not only an awesome supervisor but friend indeed. She will surely missed. May her memories fill the heart with smiles as we know she is with her heavenly father. May the prayers hold her family as they grieve for their mother,wife , grandmother etc. I am sorry your loss but hold each one in prayer. Judy RIP.
