I love you Judy. I miss you. There isn't a day that goes by that I don't think of you mama and daddy. I know all of you are up in heaven now with Jesus. I can't wait it to heaven so we can all get big hugs. Every time I play bingo I think of you I think of you me and Mama and whoever at the time playing bingo Mama's dining room table. And yes when I play bingo I still get a car that has 39 on top that's my lucky card number. I love you sis. I'm sorry that I couldn't make it to your funeral but it's you know I was at the Cancer institute in Chicago Illinois and the doctor said that it would when erect with everything that they had done for me so far and I couldn't leave. However I did talk to Daddy and Ray about it and they both agreed that I should stay where I was at. I cry a lot that I couldn't make it to your funeral. It breaks my heart that I couldn't find closure and say goodbye to you. I love you sis
