“ George and all family members, my condolences with the passing of Julia. As a member of the Kitchens family going back to Julia Jordan Kitchens and Jefferson Davis Kitchens, I will miss her greatly! She showed a compassion for many members of the family and friends all of her life. She loved them all. She carried her great grandmother's name with pride and honor. The Williams side of the Kitchen's family will surely miss her. God's Grace and Love to all of you in your time of sorrow.

“ My condolences to you all. Julia was a God sent gift to me many years ago when I needed transportation to work, she would pick me up for work. We formed a friendship from that time and many other changes in our lives brought us to connect again and again through church , family and friends even doctors. We went long periods of time not seeing one another but she and I knew we would always be friends. She has always had a special place in my heart. I thank the Lord for sending her to be a part of my life's journey.
