“ Junnie was part of the Vinson Hieghts group next to Baldwin County Hospital. Most of the boys went to GMC but we were friends to those that went to Baldwin High and especially the girls including my two sisters. We had great times @ we looked after each other, @ our parents did too. Junnnie was my classmate @ he was special friend.. He made a point to help others . Even though life took us seperate ways, we will never forget Junnie. Karl Hieber

“ So sorry to hear of Junnie's passing. It's been many years since I'd seen him or spoken with him, but he was like a big brother to me in my teenage years. I have many memories of our time together then.

“ So sorry to see this! Junnie was 2 years ahead of me at GMC but we played the same sports all school year. Whether it was football, basketball, baseball, or simply interacting around campus, Junnie was a great example for a younger student. His great sense of humor and gentle nature never hid his intense, competitive spirit. I moved from Milledgeville in 1970, and regret not staying in touch, but his memory have stayed with me to this day. Rest easy my friend.

“ I recall Junnie from our days at GMC. I have passed the obituary information to the Alumni Affairs office so he will be noted with those cadets who have passed their past review. Condolences to his family.
