“ Kathleen and I worked at the bank together many years ago. Afterwards we would always stop and talk when saw one another. Didn't see each other often tho. She was so sweet and had a beautiful smile! Loved her laugh. Kathleen is truly home now.

“ Kathleen and I have been friends for years. We have shared so many wonderful moments. She listened when I wanted to talk. She planned my retirement party with my closest friends. She was a spectacular person. I will miss her.

What can you say about someone who was like a sister for so many years? Kat and I were close friends all through school but had more or less lost touch the last 20 years or so. Shelley and Klaus, my heart goes out to you and the rest of the family for your loss. To know her was to love her, she will be missed.

Kathleen was my best friend, the sister I never had. We have been close friends since the 8th grade and spent time together all these years. Very few people are blessed to have this type of friendship and I thank GOD I was. Shelley, Klaus, David, Darlene and the rest of the family are in my thoughts and prayers.
