“ I miss her and wish I could still make her laugh and watch the birds with her. I'm thankful I got to hug her and tell her I loved her one last time. Had I known it was my last I'd of hugged her and not let go. Thank you for all the fun memories and for loving Riley so much. He will always remember your nickname for him and how proud you were that he was mine. Thank you for playing with my girls and sharing your artistic talents. Helping us when we needed it and not holding back on life advice. We love you and pray God has wrapped you in her loving embrace.
