“ I am so very sorry Ashley and Franka. I didn't know for a long time that Keith had gone to his forever home.

*I will always remember the great times we all had at Lake Sinclair having the big BBQs and all the friends and family there!*

*I will also never forget Keith putting gas on the charcoals to light the grill and almost burning his eyebrows off and the big kaboom. All everyone could do was laugh.*

*Keith was such a great friend and person. Keith, Carl and Jerry are all having those big BBQs in heaven now and I'm sure they are still telling all their good ole stories while everyone stands around and listens.*

*I think about all of you often and pray that one day we will all meet again.*

*I am so very sorry to hear about your dad's passing.*

*You and I go a long way back - I remember when your mother entered eternity so many years ago and how tough it was on you.*

*Over the years, we've drifted apart, but I've never stopped thinking about you, and it really saddens me to hear of Keith's passing.*

*May you stay close to God during this time of heartbreak and great sorrow. Please know that I am thinking of, and praying for, you.*
