“ *My thoughts and prayers are with you Linda. Keith was one of my best friends and I am deeply saddened to lose a friend like him. Keith was the kind of person who could put a smile on anyones face. I will always cherish the times I had with him rather it be us working together or just hanging out together. We were sure to have fun together celebrating our birthdays with a great group of friends. I will always remember his laughs and that big smile. He had the biggest smile every when talking about the grand kids. We are all blessed for he has touched the hearts and loved by many people.*

“ Wow we are so sorry to hear of Keith's passing. My husband (David) & I both met Keith several years back when he came to each of our jobs. He always took the time to talk & when I told him who my husband was he instantly was excited to know that he also knew my husband!! We are in complete shock over this!! All of you will be in our thoughts in prayers through out the next day's, weeks, & months ahead. God bless you Linda. Go rest high on that mountain Keith! We will miss not seeing you around at our jobs!
