“ *Jesse used to be a regular customer every day when I worked at the Texaco up at the lake on 441, he would talk about his wife and boys all the time. I sure hate to have come across this obituary! Too young to die, I do not know the family personally but I can say that Jesse loved his family very much and he was proud when he spoke of them! My prayers are with you all during this painful time! Lean on the Lord for strength and he will see you through! Lord I pray you will keep close to this family in the coming days as they lay Jesse to rest! Amen*

“ *Jesse was like a son from another mother, him and my son was two peas in a pod. He always wore crazy pajama pants. They loved riding bikes and dirt bikes together always up to something. My condolences to the family and friends. Rest easy until we meet again.*
