“ Ken was a very special guy. He loved his family and other people so genuinely. I appreciated his interest and willingness to help with children/youth activities when Tiffany was growing up. We had many fun get togethers with the kids at your home. Bill and I especially appreciated him when he helped both of our daughters get their first cars. We knew that he and Eric always could be trusted with their sales.

We will not be in town for the service, but we are praying for you (Leondra, Eric, and Tiffany and the grandkids).
