“ Nancy, Darryl, Kelly, Pat and Pam and all the family! I have so many fond memories of Kenneth and the Dunn family from the time we were little kids playing in the mud and the pine thicket, and all our fun times at Church and Bible School at Beulah Baptist Church! I love you all like family and my heart is so saddened by your loss. Just take comfort in knowing that Kenneth is healed now and at peace. Remember to call on John and me if there is anything we can do for any of you. Love you all, Carrol and John Griffin

I am so sorry for your loss. I remember when Kenneth would come home with Bobby, after school. He was so much like a brother to me and my sister. He always had a big smile on his handsome face. Your family will be in my prayers.

“ To my son in law Darryl and family, I am so sorry for your loss. I thought a lot of your dad and he thought a lot of my broccoli casserole. Funny but that was my first memory of Kenneth that come to mind. Know that I love you and I am here if you need anything at all.

Nancy , Kelly and family, my heart is so heavy for each one of you as well.

May God give each one of you peace and comfort today and the days following that only He can give.

Love you all

we are so sorry for your loss. The first thing Roger thought of when I told him was the time Kenneth picked him up on the coldest day ever to go hunting, in his "bug". He said the doors were frozen shut, but they still went hunting! He speaks of that time often! Kenneth was the sweetest man. Love to you and your family from Roger & Wytina

“ A Shipmate has crossed the Bar and I am saddened. He served in our Navy when others turned their backs and ran. He flew Missions in Combat and sailed in Harms Way. He returned to a land that did not appreciate the service but he made a life for himself and his family. We are Shipmates born of a time when young men Sailed the Sea and went into Harms Way. That bond is never broken by time, distance, aging or Death's Sting. I salute you Shipmate and it is now time to say your Watch is relieved in this earthly space. You have sailed beyond the horizon that we will all see and you are now anchored in the Celestial Port in which all good Sailors eventually anchor. Save a Berth for me and your Shipmates to follow. I bid you Fair Winds and a Following Sea Shipmate. You may now Rest Your Oars knowing we who remain have the watch. Condolences to you Nancy and family and Prayers for you all in the days ahead.
