“ *Dianne....it has been many years since I have seen or heard from you and I am so sorry that this is how I will be talking to you now. This is Bobbie(from Piggly Wiggly).....just heard the news yesterday...may not be there physically but you are definitely in my thoughts and heart. I always feel for those who deal with losses because I know exactly what you are going through.....from losing my twin sister years ago to both of my parents and a dog that I had for almost 16 years in 7 months. Time and your family will be on your side.*
