“ *Prayers for your family as we grieve the loss of your precious mother. She was a one of kind friend Always ready to help anyone who needed it... A caring nurse and proud granny and mother . She was a devoted daughter and loved her daddy... He raised a caring and full of life daughter. She loved her precious grandchildren and always shared stories of the fun they had... Always brought us treats after a weekend of cooking . Her life has been cut too short but all our lives are so much better for having known her. There will definitely be a void ... Will miss her Good Morning at work. She was always quick to help anyone in need... From Make a Wish, Shine, helping out needy families to taking in the nursing students and treating them like her own family. What a legacy she left behind ... We will see her again one day and I believe she will be standing at the gates welcoming us all in maybe even having one of her layered chocolate cakes waiting on us!!*

“ They came to Hopewell United Methodist for a time. We were friends when our sons were at GMC. Kim was a ball of energy and funny and fun. I'm so sad her life on earth was so short, but I know she made the most of it while she was here. Blessings on her family who must go on without her, but cherishing those wonderful memories of her. Love from, the Vernon Wood family.

“ *Kiim was exceptional in all her life roles (mother,mother-in-law, daughter, granny, friend,nurse and co-worker) I will miss her good morning smile she as she greeted me nearly every morning at work. Her sweet or funny or encouraging comments. Listening to her stories of her life's adventures with her family. I feel as though I should know Craig and Laurie and Mr. Vickery personally. I've watched Colby and Hallie grow since birth and witnessed the love Kim had for each of you individually. Little did we know our time with this beautiful person would end so abruptly. My heart aches for our loss at ORMC and your loss as a family. I have prayed for you all and will continue to pray that God can provide comfort and strength as only he can. Kim was loved and admired and will be sorely missed. Charlotte Brown*

“ *Craig, I'm so sorry to hear about your mom. I will always remember your mom for being a good nurse and for making the best cakes. I got to chat with her about a month ago and first words out her mouth was about her grandchildren. She wanted to share with me pictures of them on her phone. I could tell how much she loves them. I enjoyed working with her and she will be missed. Y'all are in my thoughts and prayers. Buffie Coleman*

We first met Kim at the hospital and she fast became our favorite nurse, our friend. Then we saw her at the ball field and her love for her family and those grandchildren made her shine even brighter. Our prayers and condolences go out to her family, her family of co-workers, and her family of friends. May God be with you all.
