*I was so very sorry to hear of Kim's passing. I worked with Kim for several years in the Plant Biology Department at UGA. Kim was very much loved by her co-workers here. I can still remember walking to our cars together on her last day and saying goodbye. Kim was a very loyal friend. If someone stepped on our toes, Kim was the first one there to have our backs. She told it like it was and I loved that quality in her. She kept us laughing all the time. I will cherish all my memories and funny stories of Kim. My thoughts and prayers are with you all.*
