“ It's strange how years after our breakup ,I was trying to find you, the way u showed me to find people when we repoed cars together and I ran into your obituary. It's so upsetting to know someone you spent 7 years with is gone at such a young age . I can't and probably want find out what happened to you but what ever it was I know your in a better place now. Don't know why your obituary says u spent most your adult life in kansas , you spent 7 of it with me here in Georgia . I don't know what I will tell Joshlyn now when she sees pictures of u holding her and asked me who u are and what happened to you . No one will tell me ..Rest in Peace Kip Jones you were one of a kind

“ Dear Tori,  
I just heard the news of Kip's passing - I am so sorry for your loss .  
The happy memories of our childhood flood my mind with laughter  
and joy. You, Kip, Wes and Mrs. Helen took care of me, James, and  
Mama during such a hard time in our lives. You will never know the  
loving influence your family had on us. May God's most perfect love  
comfort you all and ease your heart's sorrow.  
In Christ's Love,

“ Tori and family - I am so sorry to hear that Kip has passed. I wasn't  
aware of it before now - please forgive me. He helped me out a few  
times and he was so gracious when he did. When he would be  
driving by heading towards home, he would always honk the horn. I  
am sure you will miss him.###imported-begin###Wendy

“ I can't even begin to tell you how sorry I am for what has happened. I know that along with grief, confusion and possibly anger build up inside you. Please know that it was not Kip that left y'all that day, it was an ill and depressed indivisual who needed to find some peace. Kip would never have left you that way or left you with so many questions. He is no longer in pain or suffering, so please find some peace in knowing that he loved you all and wishes you no pain.###imported-begin##Rhonda Thigpen###imported-end##
