“ Dear Mary and LeeAnn,
I want you to both know that you are in my thoughts and prayers as you go through this difficult time. Krista was one of the most beautiful and graceful women I've known and I always admired the way she walked through difficult times. Though I haven't had the opportunity to see her in many years, I'm sure this latest challenge in her life was no different. God bless her.
In Christ,

Words could never express how much Krista will be missed. I never saw Krista went she didn't have a smile on her face and a expression of love for her Lord. She loved her family with all her heart and I know she loved the Lord the same. Please know that we are here for you .

“ Dear Rick & Family,

Please know that you & all your family are in mine & James' thoughts & prayers. Krista was such a special lady & so full of Jesus! It was a joy for me to visit with you & Krista when she was @ GMC in May. Although I went to minister to her, she ministered to me much more than I could have ministered to her! She was amazing! What a witness she has been & I know she's basking in the presence of her beloved Lord now & has already heard the words of her Savior saying, "Well done, good & faithful servant. Enter the joy of your Lord!" Rick, I know you will miss Krista beyond measure, just as her boys & Ricky & Amanda will & all who loved her. Hang on to all the precious & loving memories that you two created together! May the peace of God which surpasses all understanding sustain you & your family in the days & weeks & months to come. I know that the physical loss of Krista has left a big void not only in your life but also in her church family there in Milledgeville that she loved so much but I encourage all those ladies that Krista has ministered to over the years to treasure the time & words & love that Krista has shared with them & to pass on that encouragement to others & in so doing, Krista's ministry to other women will live on!

James & I will see you & the family on Saturday.

Because He Lives,

James & Cheryl Dutton
