I am so sorry to hear of Kris's passing.. I have know her for many years. One of my fondest memories of her is when she used to take me to lunch once or twice a year to try to get me to sell Mary Kay.. Also have good memories of her and Bob at Sterling Insurance functions. My thoughts and prayers are with all of you.

“ I was blessed with a best friend for 56 years. Kris and I shared everything from being in school together, being pregnant together, and grieving the deaths of our parents together. The two of us and our hubbies had so many fun times; playing cards, going on a cruise, singing, and just hanging out. We raised our children side by side and she was always there for me, no matter what. I am forever grateful that God placed her in my life.

“ There are no words to express the sadness in my heart of your passing. You were such a light in the lives of everyone who knew you. You never hesitated to step in when Zach was alone at Christmas his 1st year in GA because you didn't want him to be alone. You welcomed me with open arms when I came to visit...your love and smile was infectious. You will be dearly missed
