“ I worked side by side with Kurt for many years in the power industry, we became close friends that could make work a fun place to be. We were always amazed how we grew up the same and had the same interest. Both avid college football fans we were rivals as he was a Bulldog and I was a Gator. Yet we found a way to have fun with that too. RIP buddy.

“ Will surely miss Kurt. I knew him with Southern Co. He was one who could defend a position or an idea eloquently, in many meetings. And then he would give a quiet low deep voiced humorous sentence, “ Told you so.” I enjoyed that immensely. Again, I will miss him. Prayers and condolences to all of the family members. Remember him forever.
