“ She was my Aunt. My mother is June Mabry Osborne Burton, who is also passed May of 2013. Aunt Betty loved to spoil her nieces and nephews. When I was little , she and I went to Buckroe Beach just about every single Saturday. She lived with her mother, my grandmother Nina Wood Mabry. I remember the first poodle she had her name was BabyDoll. I am the only one left now. I miss her and those days. I can still remember how their house smelled Mamaw always had a broom in her hand and an apron on I hope I see them all again one day. I miss them all.

“ I enjoyed Ms. Mabry as a neighbor for so many years. Although she was quiet and kept to herself I will always remember her as spending time in her flower garden admiring the flowers with her poodle. My thoughts and prayers are with the family.##imported-begin##Shannon Decker##imported-end##
