“ One day I was sitting around missing you and wrote this. I had done the same for Big Bubba Blake before you were even born.

"CHASE"

You were sent by God from Heaven above, He knew I needed You to Love. You stole my heart right from the start.

No words can describe how you make my life so much happier. It's hard for a day to pass with me not seeing you and loving you.

As each new day begins and you grow and change, and learn new things. The sweet smiles, sweet expressions, the little noises, and rather loud yells that you make. They are all so precious to me. The one little tooth you got first.

I love to snuggle with you with the "Betty Boop" blanket early in the mornings, and rock you back to sleep.

Since you were born things are so much brighter, not dark anymore. I do Love you "My Sweet Boy"

I will Always Love and Cherish our times together "Sweet Boy". One day we'll talk and hug again for eternity.

“ Little Man, You are a Celebrity all over the world. FaceBook is still booming all over about you. So many have been Praying and talking about you for awhile now. Your fight with leukemia has opened many eyes to this terrible disease. Maybe some of them may actually find a cure, since so many are aware now. You taught so many how to love and be loved. So many tell me that because of you they are now spending more time with their family. Little ones are getting many more hugs and kisses now. Some tell me they are Praying more now. Others tell me how you changed their whole outlook on life. You have brought families closer to each other, and people closer to God. Who knows, your life may have saved some from the gates of Hell? WHAT a testimony you were, and will always be. Grandma and I will never let the story of your love vanish. Many live their whole lives and never do what you did in three and a half short years. You never met a friend, family member, or stranger without giving them your love and your loving smile. Even when you were going through so much in the 65 days you were in the hospital, you kept smiling. God sure picked the right Little Angel to do the job He needed to be done on earth. Now you're teaching us how to grieve. Yes, both of us are shedding many tears, and will for a long long time. We are so proud to have called you our youngest Grandson. Blake is an awesome young man, and he will forever miss and love you too. Please watch over Him, and kiss Him, Pa and Grandma on the back of our necks with a cool breeze when you can. Our hearts have a big hole in them now. We will never get over this until that Bright Day we enter Heaven, and You meet us at the Pearly Gates. I said you were teaching us how to grieve, and it's true. NO way could I sit here and type this without God pointing out the MANY reasons You were put here. He decided your job was now complete, and called you Home. At first we couldn't understand why, but after talking to so many people, and reading what so many others are saying, we now know more. Job WELL Done Little Man. WELCOME HOME! We LOVE You SO much, and ALWAYS will.

“ Dear Cassie & family,

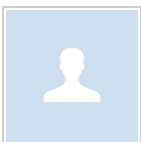

I am so heart broken to hear of your loss. It is the saddest of things for a parent to have to bury their child, especially so young. Know that little Chase is in the arms of Jesus now whole & strong with no more hurting. The only tears that are left are of his precious family having to live on until they can see him again one day. May God Bless each of you and hold you close to help you heal. He knows that you will never forget him but the hurt will become less over time and you will be able to talk, laugh, & share all his memories with out the tears one day. Bless you each. RIP Little Chase in the arms of our Lord.##imported-begin##Annette Brookins##imported-end##

“ Our prayers and thoughts are with the Daniel and Snider families and friends in their time of loss. Chase has made such a huge impact on those who have followed his battle to defeat the life draining cancer, which ultimately took him from us. However, Chase is the real victor in this battle, as he is in the arms of Jesus, never to suffer any more. Although Chase has departed physically, his memories will live forever. God's blessing are there for the asking. He will get everyone through this loss and bring us peace and calm from the storm.##imported-begin##Wallace & Bonnie Moore##imported-end##
