Although I couldn't be there in person, I did watch during the live stream. The pastor delivered a powerful sermon. I'm sure Lane would have approved. It was an awesome tribute to Mr. Lane Lingold.

My sincere condolences to the entire family. When I was growing up, Buford and Lane were friends of my family. Lane was a kind and compassionate man. He often shared words of wisdom to me. I found his words to be beneficial to me as I became older. RIP Lane and know you had a profound, positive effect on many citizens of Baldwin County.

“ *He was a wonderful person with a warm and generous heart, he was my bus driver and he would stop at the convience store on Georgia Highway 22 and sometimes buy everyone on the bus a treat or snack, also if you did not have any money(like me sometimes) he would buy you something. When I was walking through the woods by house I came across a man laying facedown in dirt and thought he was dead, I ran to my mom and she called the BCSO and it was he who came - turns out the guy was just drunk nevertheless he was so kind and understanding that it left a wonderful memory of law enforcement was really helpful and caring, his memory will live on as a wonderful human being*
