“ *Dad*

You will be missed! I am going to miss calling you up when the the Falcons are playing and discussing how they will blow their lead after halftime and either lose the game or certainly make it interesting. It was a shame that you couldn't see them when their first Super Bowl last February but you and me still had fun discussing how they would probably blow it. I am saddened that you won't get to welcome your first Great grandchild Dakota into the world in September. He will miss meeting his great grandfather-a man of few words. Rest In Peace Dad!

I didn't do a good job of proof reading before posting. Should say that you didn't get a chance to see them win a Super Bowl.
