“ Mr. Herrington was my business partner, friend, second father for the past 10 years. It was an honor to learn from such a great mind and work side-by-side with someone who showed such passion for his work and compassion for others. The last visit I had with Larry while he was receiving treatment, he asked me to bring him a Philly Cheesesteak Sandwich and play Led Zeppelin for him. Whatever he asked, we always did. But what he asked most of us, was just to do the right thing always. Maintain integrity.
Rest easy Larry and know that Ryan and I will take it from here. We will keep your legacy going.

“ For many years, I knew Larry as a colleague, law partner and later as a next-door-neighbor. He was laid back and soft-spoken. I guess the thing I remember about him most was that he was a thinker. He analyzed issues in a more profound way than I ever could. I remember that he was always one step ahead of me in acquiring state-of-the art audio-visual technology, which was our "thing." He was a smart, crafty workers compensation attorney - he was good at wearing down the opposition by biding his time. He also served as Baldwin County's probate judge and was active on the community's economic development authority. He had a great sense of humor and was very easy to like - he was a real friend and I will miss him greatly. My thoughts and prayers are with Charlotte, Ryan and Jim.
