“ We will miss Larry and his kind personality. He did so many projects for us, but more importantly he treated us as friends. My wife and I both really will miss him. I'm sure he's already fixing heaven.

“ My Father dearly loved working at all the houses around the lake and loved just hanging with Jim and fixing things! He always gave the granddaughters the best times on the raft and boats when visiting the lake. My "Happy place" will never be as happy.

Dearly missed our hearts are broken! Loved always Pappy. Love the Sprung girls
