“ *Though many years have passed, the memories of growing up together as cousins and best friends will never fade. The times we rode our bicycles, the nights and weekends we spent at Granny and Guy McCoy's, and our teenage years together. Those were the Good Ole Days that precious memories were made together. Since you have gone to your permanent home where there is no pain and suffering, may you "Rest In Peace". Our thoughts and prayers go out to Billy and family.*
