“ I remember so vividly the day you told me, “I’ll either beat this cancer or wake up at the feet of Jesus, either way I win!” Sweet friend, we go back a few years. I was able to teach two of your children and many times you’d bring me lunch or coffee. You were there through some of my worst times. So many will miss you but if we stop and think how happy and pain free you are now we should smile and remember, you won!
