

Leah Stratton

January 11, 1935 - July 27, 2013

Leah Stratton passed away on July 27, 2013. She was born in South Amboy, New Jersey on January 11, 1935. She taught Sunday School in the First Methodist Church - now Trinity United. Leah graduated Salutatorian from Harold G. Huffman High School where she was President of her senior class. She also graduated from Berkely Secretarial School and worked at California Oil Company in Perth Amboy, New Jersey for 11 years.

Leah married Donald Stratton in 1955. Work assignments for Donald moved them from New York to California. While in Boulder, Colorado from 1988 to 1994, she was very active in the Boulder Community Hospital as a volunteer. Leah knew many patients, staff and doctors and became President-Elect of the Womans Auxillary. In that position, she helped raise thousands of dollars for the hospital.

Leah and Don retired in 1996 and moved to Reynolds Plantation in Eatonton, Georgia to be close to their two sons Todd and Mark and their families that include 5 grandchildren. Although they traveled the world over, their greatest satisfaction came from watching their grandchildren grow.

“ We were saddened to read of Leah's passing. We have fond memories of YMCA and Peachtree HS soccer times. Every time we have gone by the house in North Springs, we have always wondered how the whole family was doing. So glad it was in the Dunwoody Crier. Our utmost condolences to the whole family.

“ I was very sad to read the news in the Boulder Daily Camera of Leah's passing. I worked with Leah on the hospital auxiliary board and we became friends. We had a lot of laughs during our volunteer hours and lunches out. Thank you so much for posting the news. I am sure many of her Boulder friends were also sad to see this. My thoughts and prayers are with you all. Leah, you were a fun, sassy gal to get to know-so glad we met while you were in Boulder!
