“ *Lena was a dear sweet person, always cheerful. She attended our bunco gathering in February before moving to Georgia. It's hard to comprehend she is no longer with us. Very sad. My heart hurts for Johnny and her whole family.*

“ *Lena was such a good friend. We had so many good conversations together. We had a great time playing Bunco and Pinochle!! She could always make you laugh and always brought joy to the room. She enjoyed life. She will be greatly missed by her family and all of her friends but never forgotten.*

“ I have a life time of wonderful memories of Lena that began as a child when we lived on the same street in Atlanta. I was happy when she married my cousin, Johnny. We have shared many happy times together as a family and as a friend. She will always hold that special place in my heart.
