“ To the Arnold family, so sorry about the death of your loved one. Mrs. Leonora Arnold lived the life the Bible calls "special mightiness," that is 80 or more years recorded at Psalm 90:10. However, young or old when the enemy death strikes it leaves a pain and emptiness that lingers forever. The Bible gives us comfort and the hope of the resurrection of those asleep in the memorial tombs, Jesus Christ said he will call and they will awaken to perfect life on a Paradise earth.(John 5:28 &29) Yes all pain, suffering, and death will be no more...Revelation 21:1-5.

“ Dr. Arnold,
Your staff is very sorry to hear of your mother's passing. Our thoughts and prayers are with you at this sad and difficult time. Your mother was blessed with so many wonderful experiences and a long and productive life. We know you must feel Blessed to have had her in your life for so long. Our faith tells us that God is showering his blessings on you at this very moment as well. The Bible says "Blessed are they that mourn for they shall be comforted." I pray that you will find peace and comfort in these words and that God will give you the strength and courage to go on.
