“ *George, my thoughts & prayers are with you & your family now & in the days to come. I was so sorry to learn of the passing of your mother. Although I did not have the pleasure of meeting or knowing her, my former husband did. Frank thought the world of her.*

Whenever I must bid farewell to one I've treasured, I take comfort in this. The promise of eternal life with our departed becomes the gift of hope. We'll all be reunited one day in our heavenly home.
