“Letty will be missed by all her friends at Ambrose Pediatric Dentistry. She was the sweetest person and always made a point to take care of us for lunch every time we were there. She always remembered what each one of us always ordered. We loved having her as our business neighbor. She was a beautiful person. Our condolences to the family and may God give you peace through this difficult time.”

“ *There were no strangers to Letty. She was always warm and friendly and ready to give a hug. Met Letty many years ago while she was working at El Amigo. Through working there and the other Mexican restaurants and finally opening her own Cantina Letty, I think Letty had served most of the Milledgeville residents. I am not surprised at the number of folks saying a few words on a post or more sharing memories of their relationship with Letty. Obviously you will be missed by your family but also half of the city of Milledgeville.
Rest in peace dear Letty. ❤️*

“ *This still seems surreal prima. I know in our adult lives we moved out of California and started lives in completely new states but the memories of growing up together are still as if they were yesterday. We were more like siblings rather than cousins and I am truly saddened you are not with us any longer. Tia Cookie must be sad that you had to leave your loved ones but also so happy to have you next to her, she loved you so. Sending condolences to to all your babies, children & grandchildren, may God send them the strength they need to endure such a great loss. Love you Prima, RIP.*

“ *Lety We are still in Shock very hard to believe you are not with us any more, we lost you many years ago when you moved to Georgia with Larry, back I believe in 1989, right before you had Katie, you love it out there so much that you crated a new life out there new family and friends, you had a good life out there I confirmed it when I went to visit you in 2019, you were doing what you loved most.. making friends and making them happy and part of your life I'm glad for you and you were blessed with so many friends that were and are there for you, it's so hard to not be there but this was done to fast for us, and it will not feel the same to come on Thursday and not be able to see you, we Fran Jessie, Jimmy and I are heart broken to loose our older Sister and no be able to be there with your kids to at least hug them and make them feel loved and for them to know that they do have more family, blood family not just the family you created for them with all your friends, I'm glad they are not alone and that they have mostly everyone in Milledgeville supporting them as friends as family and I thank all of you for being there for my nephews and nieces, blessing to all of you from us Lety's family in California her siblings, her aunties, Mom's sisters and all the cousins out her.*

Thank you

We will have a rosary live on Facebook on Saturday at 4pm our time in memory of Leticia Esquivel Short

“ Letty left this world holding me and her brother in the love she always gave us. Those late-night calls, those real conversations, the way she made us feel understood and never alone — that’s what we’re carrying with us now. She left us with her voice in our hearts, her warmth in our memories, and a love that will never fade. We miss her deeply, but we know she’s still with us in every quiet moment. We love you Letty 🙏🙏🙏
