“ I am so sorry to hear of the passing of Uncle Lewis. He was my grandfather, Charlie Erle (C.E.) McKinley's brother and my mother's uncle. My sister spoke with Uncle Lewis in September when our mother passed. My deepest condolences go out to the family and my prayers that the comfort of our Lord be with them during this time.

“ Please accept our sincere sympathy. Because of being out of town for Christmas holidays we did not read our papers until last night (Thursday). Sorry we were not at the funeral. We will always remember Mr. McKinley and never forget our trip to take him to Douglas, GA for a bird hunt in his late 90's.

“ My condolences to the family. Uncle Lewis was my grandfather, Edgar T. McKinleys brother. I remember when I was young seeing Uncle Lewis and Aunt Annie, who also was my grandmothers sister. My mother is Helen McKinley Bryan. Living one hundred years is something very proud to leave your family - leaving them many memories and good times spent with you. I wish I lived closer and could have visited him more as I'm sure he had many stories to tell. I'm very involved in preserving family history and have researched for years.

“ Irene was one of my very best friends in school. She had a wonderful family and I loved them dearly. Irene talked to me often through the years and she was so happy when Jewell entered her Daddy' life. She told me one day that her name is Jewell and that is what she was " A Jewell." My Deepest Sympathy to The Family.
