“ *We met Bryan's parents, Billy and Linda Griner when we became neighbor's to Bryan. They sure are easy people to get to know and Keith and I enjoyed talking with them every time they came to Florida for a visit. We are so terribly sorry to hear of Linda's passing. She was a loving, vibrant, and talented lady who loved her family to the fullest. You will be missed by so many because I personally know how much the family loved the matriarch of this family. God bless each member touched by her passing. There is nothing more comforting than knowing that Linda went home to Jesus to celebrate His birthday with Him. Linda, you have touched so many hearts and we know that as a child of God, you are no longer in pain, and one day we will meet again in heaven. ✨*

“ Billy, Stacy and Bryan, I am so sorry to hear of Linda's passing. She, indeed, was an amazing lady with a heart of gold. All of that love she gave to so many never took away from the love she had for her family. I know she is missed. You and your family are in my thoughts and prayers.

“ Billy and family I am so very sorry to hear of your loss. When I think of Linda, my mind first goes to how beautiful she was outwardly, but her beauty was equally matched in her spirit. In all of the years of knowing her, I never saw her in a bad mood. She lit up every room she walked into. And kindness was her mantra. Praying peace over you all that only God can give. Love y'all.

“ Billy, Stacy and family, I am so sorry for your loss. Linda was such a special lady in the dearest sense. She and I spent much time in the early 1990s talking and sharing when I lived in Milledgeville. The beautiful hand painted water can she gifted me is still displayed on my porch. I know you will miss her. I pray your pain will be replaced with wonderful memories of that precious wife and mother. Nancy (Moore) Riner

“ My thoughts and prayers are with your whole family. Linda was such a sweet lady, and she was devoted to her family. My family and I were fortunate enough to live 2 houses down from The Griners. A sweet memory I have is about their Yorkie Benji. Benji used to run into my house most mornings, to give me love. He would wait patiently by our door until someone opened it. Linda used to carry Benji with a big tote bag when she would go to different places. I remember seeing Linda at The Cherry Blossom Festival years ago, and of course she was carrying Benji, in a tote bag.
