“ It's a big shock to me to hear about Linda's passing. She is a very good person, caring, loving, and an awesome beautician. She makes us feel very comfortable at her shop. She was full of life. She loved people. She loved and cared for David until the end. I will miss her so much. She's a big loss to her customers, friends, family, and community.

With so much love,

Mrs. Cecile Trinidad and Betty Peeples

“ To Linda’s sons and family:
Linda was my mother’s beautician for many years. Mother looked forward to her weekly trips. As mothers health declined, Linda was always so kind and caring. Mother’s hair had to be just so. She wore a French twist her whole life and Linda did it beautifully. When mother passed, she went to the funeral home and made mothers hair look perfect. I will always be so thankful for all she did for my mother. Linda was a jewel in this community and the closing of her shop and her absence will leave a hole no one can ever fill. You were blessed to have such a devoted mother. She loved you and her grandchildren so much and she was so proud of you. Our family will be praying for you!

“ Miss Linda (I never knew her by any other name) was a lovely person. When my mother died, the mortician said there was really no need to have her hair done because she would be wearing a veil. I felt I couldn't send Mama to the other side with her hair undone. I asked Miss Linda if she would do Mama's hair. She was the only one I trusted. She did a beautiful job and would not accept any payment from me. Just a wonderful soul. The World will not be as kind without her.
