“ Linda was the kindest and sweetest person ever. I will never forget her generosity towards me. After you girls were born, Mendy and Dana, she used to joke that if she had another child, that she would name them NO (sorry Jason). My condolences to your family!

“ Linda and I met when we worked together at Ingles. In that time, I got to learn about her life and she learned about mine. We used to laugh so much behind the counter while we were cutting fruit, that the store manager would come and fuss at us. Linda didn't have an easy life, and she inspired me to make it through some very tough times. She was one of the best friends I have ever had, and not a day will go by that I won't miss her. Linda was a true blessing to me, and I'm blessed to have had her in my life.

“ I am sad to read of Linda's passing. I knew her through my good friend David Martin and she was always a pleasure to be around.

My heart is broken, and I am saddened to learn that Linda has passed. I loved her like a sister. Growing up our summers were most often together. She even went to church camp with me and my sisters in Waycross, GA. We had such fun together. She introduced us to new lipstick colors etc. We gathered veggies from my dad's and our uncle's garden, we swam and attended church together. After the summer we would write letters until it was time to meet again. Memories will now carry me until we meet again. You were loved, and our time as cousins and besties will always be remembered.
