

Lisa Carswell

November 4, 1961 - September 17, 2023

Williams Funeral Home and Crematorium will hold a Celebration of Life for Lisa on Friday October, 6 2023 at 4:00 pm and an Irish Wake will follow at Dungeons and Daiquiris, 125 S. Wayne St, from 6:00pm to 8:00pm for those family, friends, and colleagues who appreciate her more sardonic and irreverent side.

Ms. Carswell was a lifelong resident of Baldwin County passed away on September 17, 2023. She was predeceased by her father, Sam Carswell, stepfather Huey Snow and grandmother Emma Eudell Henry Marsh.

Ms. Carswell was a graduate of Baldwin High School, she received her Bachelor Degree from Ga. College and her masters from Notre Dame. She had been employed at Ga. College in the English Department and was employed by the Early Learning Center.

Survivors include her daughter Bronwyn Pearson (Bryan); her mother Bonnie Snow; sister, Becky Philbin (Ted) of Thomasville; brother, Robbie Snow (Rachel) of Gordon; grandchildren, Ariana Pearson and Elena Pearson; nephew Dakota Snow, niece, Lillie Snow; step mother, Mary Carswell.

She wanted it known that even though physically, she was losing her struggle with cancer, that her passing, like her life, would be as much on her own terms

as it could be. The night before she passed, she enjoyed a spa day with her granddaughters and a Tolkien-thon movie night with her daughter. She passed away at home, surrounded by her loved ones.

The family would also like to extend a special thank you to Family Hospice of Milledgeville for all its help in the short time we had, especially her nurses (Haylee, Tonya, and Sarah), chaplain Michael, and Social Worker, Traci.

Flowers will accepted for those who wish but the family would prefer contributions be made to Leukemia and Lymphoma Society, who provided support and resources during Lisa's relapse with AML, or to St. Jude's Children's Hospital.

“ Hello everyone. I also wanted to post a link I set up for my mother's GoFundMe for anyone who might want to contribute directly to her Memorial costs, though I am so happy to announce most have been covered so we are encouraging donations to her charities of choice.

“ *I remember in elementary school how much I loved her. She was always such a good friend and I think for a few weeks she was my girlfriend in school. I also remember going to her house when we were young. We never had a disagreement and remained friends for all these years. Facebook reconnected us. Hard to believe she is gone.*
