“ It's been many years since I've seen Lisa, but we had fun catching up on Facebook. We went all the way through school together -- City Elementary through Baldwin -- and I counted her as a good friend all those years. Rest easy, Lisa. Jesus is there to hold you and comfort you. My condolences to the family during this time.

“ *I was so lucky to go to church with you all for many years. I will forever be grateful to Dan and Lisa for the love they showed my children in Sunday School. Years later Lisa did her student teaching on our team at Midway. Fast forward a few more years and I had the privilege to work with Amy and Lisa at Blandy during my last 8 years. Both were dynamic teachers and it was a joy to see them at work. Lisa loved her school children like her own and she was a great team leader. Thank you Lisa for spreading love and joy with your beautiful smile and zest for life. I am a better person for knowing you. Sending love and prayers to you all.*
